Jocelyn Coney frequently advises clients on initial public offerings, follow-on offerings, high-yield and investment-grade debt offerings, leveraged buyouts, cross-border securities offerings and liability management transactions.

In addition, Ms. Coney counsels U.S. and international corporations on corporate governance, SEC and stock exchange compliance, and general corporate matters. She has worked on transactions for clients across a wide range of industries, including consumer retail products, health care, real estate, media and telecommunications, technology, agriculture, oil and gas, and industrials and manufacturing.
