Kexin Li's practice centers on antitrust and competition law in China, Japan, South Korea, the EU and a number of other jurisdictions, with a focus on Asia Pacific jurisdictions. She advises clients on multijurisdictional merger notifications in cross-border transactions, global antitrust investigations and other antitrust-related issues — particularly issues concerning intellectual property rights — arising from business operations. She has more than 10 years of experience advising merger control and other antitrust-related issues in relation to the TMT industry. In recognition of her work, Ms. Li has been selected for inclusion in *Chambers Global* and *Chambers Greater China Region*, as well as honored as a Rising Star for antitrust and competition issues by *The Legal 500 Asia Pacific 2024*.

Ms. Li's recent experience, including prior to joining Skadden, includes representing:

- **ANSYS, Inc.** in Synopsys, Inc.'s proposed acquisition of the company
- **Juniper Networks, Inc.** in Hewlett Packard Enterprise Company's proposed acquisition of the company
- **Jabil Inc.** in the sale of its Mobility business to BYD Electronic (International) Company Limited
