Lukas Nein advises companies and private equity firms on domestic and cross-border transactions, including inbound and outbound investments and other corporate transactions. He represents clients in acquisitions, dispositions, cross-border mergers and joint ventures. Mr. Nein has been repeatedly named to *Best Lawyers' Ones To Watch* list (including in its 2025 edition).

Prior to joining Skadden, Mr. Nein worked at other top international law firms in Frankfurt and London.

His significant representations since joining Skadden include advising:

- **International Flavors and Fragrances Inc.** in the sale of its nitrocellulose business, associated production facilities and the Walsrode Industrial Park to Czechoslovak Group A.S.
- **Energy Infrastructure Partners** in its minority investment of up to €700 million and subsequent 10% increase of its stake in Eni Plenitude, an Italian diversified energy transition company, at an enterprise value of over €10 billion and a post-money equity value of approximately €8 billion
- **I Squared Capital Advisors LLC** in its:
 - renewable energy platform Cube Green Energy's majority investment in SUNfarming, a German photovoltaic developer and independent power producer focused on agricultural solar projects
 - €1.4 billion acquisition of Arriva Plc (including all of its operating businesses across 10 European markets) from Deutsche Bahn AG. This was one of the first transactions under the new EU Foreign Subsidies Regulation regime
- the founders of Berlin-based communications specialist and FRITZ!Box manufacturer **AVM** in the sale of a majority stake in the company to European family office Imker Capital Partners and the founders' reinvestment into the new ownership structure
- **Spirit AeroSystems Inc.** in its \$8.3 billion acquisition by The Boeing Company
- **Engelhart Commodities Trading Partners**, an affiliate of Banco BTG Pactual S.A., in its acquisition of Trailstone, a global energy trader and renewables management services company, from private equity firm Riverstone
- **SDCL Edge Acquisition Corporation**, an NYSE-listed SPAC, in its business combination with *cunova GmbH*, a leading global manufacturer of high-end specialty copper alloy products
- **Energy Infrastructure Partners** in its minority investment of up to €700 million and subsequent 10% increase of its stake in Eni Plenitude, an Italian diversified energy transition company, at an enterprise value of over €10 billion and a post-money equity value of approximately €8 billion
- **Hermann Rosen**, founder of **ROSEN Group**, a global leader in inspection and integrity management services for energy transmission pipelines, in the carve-out of the company's New Ventures division, the sale of ROSEN Group to Partners Group AG and a significant reinvestment by Mr. Rosen in the new ownership structure

-
- a consortium led by **Energy Infrastructure Partners** on the acquisition of approximately 20% of Fluxys Group, an operator of gas pipelines and LNG terminals across Europe, from Canadian pension fund Caisse de dépôt et placement du Québec (CDPQ) and its partnership with Publigas SA, which owns approximately 77% of Fluxys Group
 - the shareholders of **SEEPEX GmbH** in the \$514 million sale of SEEPEX to Ingersoll Rand Inc.
 - **the shareholders of Canyon Bicycles, Roman Arnold and TSG Consumer Partners** in the sale of a majority stake in Canyon Bicycles to Groupe Bruxelles Lambert
 - funds advised by **Energy Infrastructure Partners AG** in a €530 million investment for a 49% stake in BayWa r.e. renewable energy GmbH
 - **Communications & Power Industries LLC** in its acquisition of SATCOM Technologies from General Dynamics Mission Systems, Inc.
 - **Credit Suisse Energy Infrastructure Partners** in its acquisition of a minority stake in the €2 billion Arkona offshore wind farm
 - **The SCP Group** in its €1.2 billion acquisition of the Real Group from METRO AG
 - **Gulf Energy Development Group** in its:
 - acquisition of a 24.99% indirect equity stake in Outer Dowsing Offshore Wind Project, an early-stage development of a 1,500 MW offshore wind farm located off the Lincolnshire coast in eastern England that is expected to commence commercial operation in late 2029
 - acquisition of a 50% stake in offshore wind farm Borkum Riffgrund 2 from Global Infrastructure Partners and its joint venture with Ørsted
 - subsequent disposal of 50.01% of its stake in the €3 billion wind farm, representing a 25% interest in the project, to a joint venture of Singapore-based Keppel Infrastructure Trust and Keppel Corporation Limited, and the related joint venture agreement between Gulf and Keppel
